Important note

This form must be completed and signed by clients and introducers who submit business to Zurich International Life Limited. We understand that in certain circumstances it is difficult to provide proof of residential address to satisfy our anti-money laundering requirements. This can be a particular problem in territories which do not have a postal delivery system, but the regulations to which we are subject do provide a number of alternatives in recognition of the international nature of our business. In circumstances where we have been unable to obtain documentary proof of residential address, we are obliged to mark in our records that the address is not confirmed (this includes a P.O. Box address). In these circumstances, we will have to ask for complete verification (including this form if appropriate) on each subsequent change of address, until we are able to obtain satisfactory proof of residential address.
